

THE HARVEYS

Republic of Congo-Brazzaville

Since 1995, it has been our family's privilege to serve as missionary representatives of Global Outreach Mission to Republic of Congo-Brazzaville. We have seen God establish two health centers and now Congo's Pioneer Christian Hospital. Many thousands have received compassionate healthcare in Jesus' Name, hundreds of lifesaving surgeries have been performed, and many have responded to the Good News of Jesus Christ. Thank you for joining us in this ministry through prayer, financial support, and volunteer service as God leads.

Our Mission: To know Jesus Christ and make Him known by serving the medically underserved in central Africa.

Our Vision: To impact the health of a nation by offering health and hope to those who need it most.

Our Values: Loving communication, childlike faith, praying in community, courage, competence, and compassion, for life.

Our Goal: Increase life expectancy and decrease maternal, child, and infant mortality for those living in our region.

Our Strategy: Strengthen the hospital's spiritual ministry. Seek and save the lost. Make disciples.

Our Objectives: Develop the chaplaincy program. Start a life-changing HIV/AIDS prevention and treatment program. Launch a nurses' training program and local radio station.
